The list of projects scheduled for hearing, including project descriptions, will be posted on the Commission's web site, www.drbc.net, in a long form of this notice at least ten days before the hearing date. The draft resolutions scheduled for hearing also will be posted at www.drbc.net ten or more days prior to the hearing.

Written comments on matters scheduled for hearing on May 17 will be accepted through 5:00 p.m. on May 22. Time permitting, an opportunity for Open Public Comment will be provided upon the conclusion of Commission business at the June 14 Business Meeting; in accordance with recent format changes, this opportunity will not be offered upon completion of the Public Hearing.

The public is advised to check the Commission's web site periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is deemed necessary to complete the Commission's review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that project details commonly change in the course of the Commission's review, which is ongoing.

Public Meeting. There will be no opportunity for additional public comment for the record at the June 14 Business Meeting on items for which a hearing was completed on May 17 or a previous date. Commission consideration on June 14 of items for which the public hearing is closed may result in approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.
